

## Press Statement

(Hong Kong, 19 March 2008) We have become aware of a photograph of an advertisement circulating on the Internet, purporting to originate from SmarTone-Vodafone, depicting an image of an iPhone from Apple Inc. We wish to clarify that this material is not an advertisement from SmarTone-Vodafone and the use of our logo in this material has not been authorised by us and constitutes an infringement of our trademark. We reserve the rights to legal action.

There is no current arrangement in respect of the iPhone between Apple Inc. and SmarTone-Vodafone.
