

SmarTone Macau to Bring iPhone 4 to Macau on November 29

Macau, November 26, 2010 – SmarTone Macau today announced it will launch iPhone 4 in Macau on November 29 with a range of tariff plans tailored for iPhone customers.

iPhone 4 features FaceTime, which makes the dream of video calling a reality, and Apple's stunning new Retina display, the highest resolution display ever built into a phone, resulting in super crisp text, images and video. iPhone 4 also features a 5 megapixel camera with LED flash, HD video recording, Apple's A4 processor, a 3-axis gyro and up to 40 percent longer talk time*— in a beautiful all-new design of glass and stainless steel that is the thinnest smartphone in the world. iPhone 4 comes with iOS 4, the newest version of the world's most advanced mobile operating system, which includes over 100 new features. The revolutionary App Store provides access to more than 300,000 apps including the new iMovie app built just for iPhone 4.

"We are very pleased to offer iPhone 4 to our customers who will love using this exceptional device on our powerful network," said Mr. Patrick Chan, CEO of SmarTone Macau. "We are confident customers will love the difference our unbeatable network, wide range of services and unrivaled customer care deliver."
