

## SmarTone launches 4-Day “Multi-Day Roaming Data Pack” 20% Off Rebate for Add-on Subscriptions

(Hong Kong, 1 April 2023) To meet the needs of short-haul and spontaneous travellers during the Easter holiday, SmarTone has unveiled a new 4-Day “Multi-Day Roaming Data Pack” for customers to enjoy unlimited roaming data instantly upon arriving at 15 destinations in Asia Pacific for only \$128 without changing SIMs or setting up. Meanwhile, customers can enjoy a 20% off rebate starting from the second purchase of APAC “Multi-Day Roaming Data Pack”. The average daily usage fee of two 4-day packs with a total of 8 days is \$28.8.

Customers going on long-haul travels can subscribe to a 7-Day “Multi-Day Roaming Data Pack” for \$198, which also covers 15 destinations in Asia Pacific. Customers can also enjoy a 20% off rebate starting from the second purchase. The average daily usage fee of two 7-day packs with a total of 14 days is \$25.5.

SmarTone provides quality and reliable roaming data service in partnership with reputable local network operators. “Multi-Day Roaming Data Pack” customers can enjoy full-speed roaming data for the first 1GB of usage per day and unlimited data thereafter. The service also supports in-flight roaming\* on specific flights.

To subscribe to the “Multi-Day Roaming Data Pack” service, customers can login to SmarTone’s “Multi-Day Roaming Data Pack” website (<https://www.smartone.com/hk/mdp-en>), SmarTone CARE app, or WhatsApp 9660 2688. Terms and conditions apply to all promotions and services.

###

Terms and conditions:

1. Data Pass shall be valid for 3 months (APAC) / 12 months (Worldwide) from the day of successful purchase and can be used via Data Roaming Day Pass at designated destinations. Data Pass is not required to be used on consecutive days.
2. If a customer purchases more than one data passes (regardless of the region(s) and purchase dates), the validity period of all data passes will be extended to the latest expiry date. For the validity period, please refer to the SmarTone CARE App or check with our service assistant.
